## LOCATION

**BALLATER GOLF CLUB** was founded in 1892 and is only a few minutes walk from the centre of town. A relatively flat, easy walking course it is nevertheless a challenging and stimulating test for both low and high handicap golfers alike.

The 5th hole is arguably one of the best and most difficult par 3s to be found anywhere.

For sheer scenic splendour the 414 yard, par 4, 11th takes some beating. With the tee nestling back among trees and gorse, facing North and with Craigendarroch Hill (Hill of Oaks) as a backdrop, it gives enormous pleasure to watch a well hit second shot rise towards Craigendarroch and gently land on the green.

Our clubhouse offers a pleasant atmosphere and surroundings to relax after your round.
